Experience

Front End Web Developer - 04/2020 to 07/2020

OpenTabs, Spain (Remote) [[Live Demo](#)/ [Code](#)]

- I built their landing page from scratch to show the company's missions such as (Saving Rainforests, Preventing Malaria, etc..), also, it showed how to download our browser extension which is the main source of the company's donations. (users number increased by 400% after the 1st month of deployment)
- I made a blog for the company to share its latest updates and news with the world in a simple and elegant style.
- Added and managed the site's Google Tag Manager and Google Analytics
- Transferred the CEO vision and idea of how the website should look and feel into a high-quality Design/Website
- Communicated with the other team members regularly to get their feedback and to make sure I show their work on our site in a clear and beautiful way
